Memorandum

Date: October 6, 2015

To: Honorable Chairman Jean Monestime
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor 

Subject: Resolution Authorizing the Release of Unneeded Canal Reservation along NW 97 Avenue in the vicinity of NW 146 Street in the City of Hialeah, Miami-Dade County

Recommendation

It is recommended that the Board of County Commissioners (Board) approve the attached resolution authorizing the execution of a Miami-Dade County disclaimer for the release of unneeded canal reservation along NW 97 Avenue near NW 146 Street in the City of Hialeah, within Tract 25 of Section 21, Township 52 South and Range 40 East, Miami-Dade County.

Scope

The site is located along NW 97 Avenue in the vicinity of NW 146 Street in the City of Hialeah in Commission District 12, which is represented by Commissioner Jose "Pepe" Diaz.

Fiscal Impact/Funding Source

This item does not require the expenditure of any Miami-Dade County funds.

Track Record / Monitor

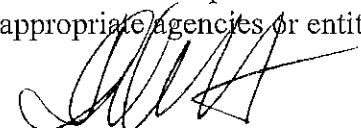

The Water Control Section Manager within the Department of Regulatory and Economic Resources, Division of Environmental Resources Management (RER-DERM), Maria D. Molina, P.E., will be responsible for tasks related to this transaction.

Background

In 1959, the Central and Southern Florida Flood Control District, later known as the South Florida Water Management District, gave to the County a canal reservation in northwestern Miami-Dade County. Under Florida Flood Control District Deed No. 21, the rights in reservation were for canal and water management purposes in connection with the Miami-Dade County Water Control Master Plan over the west 130 feet of Section 21, Township 52 South and Range 40 East, now located along NW 97 Avenue between NW 138 Street and NW 154 Street. A location map is attached as Exhibit A to the disclaimer.

The property encumbered by the above-stated canal reservation is owned by Bonterra Single Family Real Estate, LLC. The company plans to develop the property and has requested the release of the canal reservation along NW 97 Avenue. No future canal is proposed within the subject property and the future NW 97 Avenue Canal will be located on the west side of the west section line of Section 21, Township 52 South and Range 40 East. Therefore, the canal reservation located on the east side of the west section line in Tract 25, with total area of 0.94 acres, is no longer needed for canal and water management purposes. It is therefore recommended that the Board authorize the execution of the attached Miami-Dade County disclaimer for the release of unneeded canal reservation.

Following the release of the canal reservation by the County, Bonterra Single Family Real Estate, LLC would need to pursue further release from the South Florida Water Management District and other appropriate agencies or entities.
